Our Dyeing Department Best In Southwest

Before opening our efficient Dyeing plant, we put some of of the largest Eastern manufacturers to searching for a man to put at the head of our plant. We were fortunate in securing a man who knows every angle of the dyeing business. He can match any color, no matter how delicate or how difficult. The dyeing is done without a particle of injury to the daintiest fabric. Some of the dyeing work turned out by this department has been little short of wonderful. Trust your dyeing to us, and we will give you the utmost satisfaction
